Dear David,

Thanks so much for your involvement and that of the LeaderBoard Tournament Systems at our international junior tournament in China. It is the best I have seen. From all the comments I have received from both competitors and sponsors, I am sure LTS will be a huge success for both sponsors and tournament organizers. It has everything we need for our tournaments and I look forward to involving my tournament sponsors here in Australia and China.

Regards,

Ron Baddeley
Tournament Director
