Dear Bob and Matt:

Where do we even begin to thank you? For the past three years, you have been our partner in putting on the annual Berry Fund Charitable Foundation golf tournament. When we first started working together, we were unsure of how everything would come together. Now that we have been partners for the last 3 years, we wouldn't dream of doing the event without your help. With your knowledge of the game of golf, your creative give away ideas, your problem solving abilities and your professionalism in organizing each event, we know we could not find better people to work with you and your team.

This year in particular you saved the day when we had an oversight regarding one of the foursomes. Matt, you jumped in immediately and helped us find a solution that not only made us look good, but made our client feel special, and for that, we are most grateful.

While our event just ended, we are looking forward to meeting with you in the next few weeks to start planning next year's event. We would not even consider doing the event without you.

From all of us on the golf committee, we extend our heartfelt thanks for making our jobs easier, making us look good and creating a truly memorable event!

All our best,

the golf committee
