This year's golf outing to benefit The First Tee of Akron proved to be another great success, and I want to thank you and your staff at LTS Leaderboard of Akron for the great job everyone did to make the event even more special.

We are always looking for ways to enhance the experience for our participants, while at the same time increasing the exposure for our sponsors. This year, through LTS Leaderboard, we were able to accomplish both. The golfers really enjoyed seeing their hole assignments scrolling on the televisions prior to the shotgun. Following the day's golf, your slide show containing pictures from the day's events was a tremendous hit, and the participants loved sharing comments with each other over their cocktails.

Probably most important of all was the additional exposure our sponsors received with your presentations. Our title sponsors were given increased visibility throughout the entire day and everywhere you looked, the sponsors logos appeared.

In the future we now have a great way to increase the exposure for our sponsor's and the support they lend to The First Tee of Akron. I look forward to hosting our next event and working with you and your staff at LTS Leaderboard.
