Use of our proprietary **LRS LeaderBoard Animated Raffle** program. Our program selects and displays the winning ticket number on screen like a slot machine. Very entertaining, Very Cool!. Place your Sponsor's Ad Here.

The screenshots show the raffle interface with various sponsor logos and winning numbers. The first screenshot shows a draw of 550182 for the 5th Annual ANASTASI Duffers' Classic. The second screenshot shows a draw of 3943 for the F.O.G. - RAFFLE, sponsored by St. Jude Children's Research Hospital. The third screenshot shows a draw of 123461 for the Maui Wowie Travel Package!

Heads or Tails Game and the MEGA Putt -Two more fun ways to raise money.

The Heads or Tails Game was first introduced to LeaderBoard in Vancouver, BC in 1998. This game is as simple as calling a coin toss, ideal as a 50/50 game or awards dinner ice breaker.

The MEGA Putt is a proven crowd pleaser. Have all of your players circle the perimeter of the green, on the count of 3 they all putt their special numbered golf ball toward the same time to ONE hole located in the middle of the green.

Look out, balls will go everywhere and you may have more than one winner. This is hysterical.

We will run both of these Fun games.
