Dear Ken:

On behalf of the National Center for American Indian Enterprise Development, I would like to personally thank you for sharing your time and expertise to help plan our 19th Annual National Center Golf Classic Tournament, held March 12, 2007 at the Las Vegas Paiute Golf Resort. We are proud to announce that this was our largest and most successful Golf Classic to-date.

Our financial success was no doubt due in part to your ideas for creating additional sponsorship opportunities. Participants loved the creative games LeaderBoard suggested, as did we, of course, when we saw the return!

With your timely communication and on-site assistance our registration process this year ran smoothly. Also, at our awards banquet, rather than worrying about the scoring process and determining contest winners, our staff was able to spend time networking our sponsors and guests.

In addition to the financial and logistical successes, we received glowing reviews from our golfers. Several actually said that this year's tournament was the best they had ever played in! We believe LeaderBoard was key in helping us accomplish that level of professionalism. It has been a joy to work with you and, needless to say, we are looking forward to working with you and your team for tournaments to come.

Sincerely,

Tracey Jennings
Event Specialist
