Dear Bob,

Before much time passes by, I wanted to reach out and thank you for such a great effort this past Monday at Feather Sound. I'm sure the people at the Pediatric Cancer Foundation are as pleased as we are about the tournament, how smoothly it ran, as well as it's overall success!

It's amazing that we were able to pull the tournament off on such short notice. Having worked with you so many times before, I knew what you and Leaderboard would bring to the table in the way of organization, presentation, and execution. Taking a charity tournament to the highest level is difficult, and with your expertise, we did it!.

Additionally, I want to thank you for taking the lead on the Friday night cocktail session. You're a natural in that setting, and it added that much more to our event.

In closing, on behalf of all of us at Enterprise, please take a moment and say thanks to all of your staff for their efforts. Without Leaderboard, I don't think the tournament would have been such a success!

Sincerely,

ENTERPRISE FLEET MANAGEMENT
