August 19, 2008

Mark Bronstein
LTS LeaderBoard of Denver

Dear Mark:

On behalf of the Rotary Club of Denver Southeast, I would like to take this opportunity to thank LTS LeaderBoard of Denver for its wonderful services and support for our Thirteenth Annual Rotary Club of Denver Southeast Golf Tournament, Auction and Dinner at Columbine Country Club that took place on June 9, 2008. For the last two years, including LTS LeaderBoard of Denver and the services that it offers; from the scoring services, the large screen media presentations, the produced signage, and your incredible support, our event has been brought to a new level and we're never going to look back!

The personal attention you have given to our event is exceptional. By suggesting ideas and additional opportunities for fundraising from services you provide, to providing signage of all kinds, to the mega media presentations where golfers can view their scores on the screens, Sponsors can have their logo and message in front of people and live auction items can be marketed, you are now an integral part of the success of our event. As an Organizer, your services have saved me hours and hours of work and you help make everything look great! LTS LeaderBoard of Denver has helped make our signature fundraiser a polished event that is looked forward to year after year.

With your help, we were able to raise a net profit of over \$55,000, which will benefit, through The Colorado I Have A Dream Foundation, our "Dreamers" Class of 2008 in support of their dreams of further education, where upon graduation, or receipt of a GED, each student is eligible for a scholarship equal to instate community college tuition. Funds raised will also support other Rotary Club of Denver Southeast Club projects.

Together, with the support of LTS LeaderBoard of Denver and the time and mentoring of our members, we are making a difference in the lives of these young "Dreamers."

Best wishes,

Kathi Erber
Event Director
Rotary Club of Denver Southeast Golf Tournament, Auction and Dinner
