Bobbie and Marty Perlmutter  
LTS LeaderBoard of Miami

Bobbie and Marty:

Thank you so much for all of your hard work and dedication in helping make our casino night the success it was. Your screens were great and it really showcases sponsors and provides a very professional, high class touch to the event.

Bobbie's graphics were terrific and working with her was easy as she was always accessible.

In speaking with a number of our patrons, they enjoyed seeing their images on the big screen during the evening while they were taking a break from the gaming tables. And our sponsors couldn't have asked for more exposure as their logos were constantly being shown throughout the evening.

On behalf of Sherry and all of ITWomen, thank you for your excellent services and productions. We look forward to having you on board next year as well.

Best regards,

**Victoria**
